Education

- Ph.D.** Higher Education Administration *Summer 2025 (Expected)*
University of Florida, FL
Minor: Urban and Regional Planning
Dissertation Papers
1. The Route to Graduation: An Exploration of the Association Between Transit Stop Proximity and Pell Recipient Completion Rates at US Commuter Colleges
 2. The Route to Retention: A Propensity Score and Instrumental Variable Analysis of Transit Stop Proximity and Urban US Commuter College Retention Rates
 3. Local Access Matters: A Structural Equation Modeling Exploration of the Association Between Transport Disadvantage and College Enrollment in New Jersey
- M.Ed.** Research and Evaluation Methodology *Fall 2024*
University of Florida, FL
Final Project: A Time and Place for (Sustainable) Campus Planning: Using Structural Topic Modeling to Explore Variations in Planning Priorities at Large US Public Colleges
- M.Ed.** Student Personnel in Higher Education *Spring 2020*
University of Florida, FL
- B.A.** International Relations with Political Science *Summer 2018*
University of Birmingham, UK
Year Abroad: Providence College, RI

Teaching Experience

- EDH 7916: Contemporary Research in Higher Education** – “The R Class” – University of Florida
Co-Instructor *Spring 2025*
Co-Instructor *Spring 2024*
- Took over most of the teaching responsibility following previous instructor’s resignation
 - Course content available to view on [my class website](#)
- “In addition to knowing the subject matter so well, Matt also exhibited a passion for teaching which carried into the classroom. The lectures were engaging and Matt seemed to have a genuine desire to help all of us in the class succeed.”* – Course Evaluation
- Teaching Assistant *Spring 2023*
- 1:1 Stata & Data Wrangling Tutoring** – University of Florida *Fall 2024*
- Automating Data Retrieval for Enhanced Reproducibility** – Conference Workshop *November 2024*

Employment History

Graduate Assistant & Fellow

University of Florida, FL

August 2021 – Present

Residence Hall Coordinator

University of Missouri, MO

July 2020 – May 2021

Graduate Community Coordinator

University of Florida, FL

July 2019 – May 2020

Summer Sessions Graduate Intern

Georgetown University, DC

May 2019 – July 2019

Graduate Assistant

University of Florida

August 2018 – May 2019

Advising Intern

US-UK Fulbright Commission

January 2018 – June 2018

Student Ambassador

University of Birmingham

January 2015 – June 2018

Funding

\$1,000	Dr. Barbara Keener Dissertation Award University of Florida	2024
\$2,500	Lincoln and Lillian Hall Fellowship in Memory of Albert G. Hall University of Florida	2024
\$2,000	Patricia D. Conroy Endowed Scholarship University of Florida	2023
\$31,000 & Tuition	Graduate School Funding Award University of Florida	2021 – 2025

Certifications

[Database Design and Basic SQL in PostgreSQL](#) – University of Michigan

December 2024

Intermediate PostgreSQL – University of Michigan

January 2025 (Expected)

Technical Skills

Regression-Based Analysis

- Linear Regression
- Logistic Regression
- Fixed Effects Regression
- Cox Proportional Hazards
- Bayesian Regression

Psychometrics & Latent Variables

- Classical Test Theory
- Factor Analysis
- Item Response Theory
- Basic Computational Psychometrics
- Structural Equation Modeling

Machine Learning Models

- Random Forests
- Neural Networks

Spatial Statistics

- Spatial Projections & Mapping
- Distance Calculation
- Clusters & Hot-Spots
- Interpolation
- Geographically Weighted Regression

Quasi-Experimental Designs

- Propensity Scores
- Instrumental Variables
- Difference in Differences
- Regression Discontinuity
- Entropy Balancing

Natural Language Processing

- Structural Topic Modeling
- Text Classification & Clustering

R

Shiny

Python

Git

SQL

Microsoft Office

Stata

SPSS
