B.A. International Relations with Political Science Summer 2018

Year Abroad: Providence College, RI

University of Birmingham, UK

Experience

Graduate Assistant & Fellow

August 2021 - Present

University of Florida, FL

Teaching Experience

EDH 7916: Contemporary Research in Higher Education - "The R Class"

Co-Instructor

Spring 2025

Co-Instructor

Spring 2024

- Took over instruction and grading for the technical R portions of the course following Dr. Skinner's departure
- Refreshed the <u>course website</u> including simpliying some of the core content (e.g. loops), updating the .Rmd lesson to Quarto, and adding a Tidyverse to SQL translation lesson
- 5.0 (Mdn) 4.3 (M) out of 5.0 course evaluation see public results

Teaching Assistant

Spring 2023

- Assisted Dr. Skinner with 1:1 troubleshooting for lessons and assignments during class and office hours
- Designed and taught <u>a new lesson</u> on mapping and working with spatial data in R based off a real-world past GA task

Research Experience

- Spatially merged meteorological and government emergency response data with IPEDS to explore the impact of extreme weather on colleges
- Spatially lined up TX community college service areas with high school districts to explore equity of institutional access
- Gathered data and created tables and visualizations for a <u>report targeted at</u> <u>state policy makers</u>
- Created a new dataset of state-run merit-based aid programs in the US which led to a <u>new typology being proposed</u>
