🏛 Education

Ph.D.	Higher Education Administration	*Summer 2025 (Expected)*
	Minor in Urban and Regional Planning	
	Dissertation: *A collection of essays exploring the link between transportation and college student outcomes*	
	University of Florida, FL	
M.Ed.	Research and Evaluation Methodology	*Fall 2024 (Expected)*
	University of Florida, FL	
M.Ed.	Student Personnel in Higher Education	*Spring 2020*
	University of Florida, FL	
B.A.	International Relations with Political Science	*Summer 2018*
	Year Abroad: Providence College, RI	
	University of Birmingham, UK	

💼 Experience

Graduate Assistant & Fellow   *August 2021 – Present*

University of Florida, FL

Teaching Experience

EDH 7916: Contemporary Research in Higher Education – *"The R Class"*

    Co-Instructor   *Spring 2025*

    Co-Instructor   *Spring 2024*

- Took over instruction and grading for the technical R portions of the course following Dr. Skinner's departure
- Refreshed the course website including simpliying some of the core content (e.g. loops), updating the .Rmd lesson to Quarto, and adding a Tidyverse to SQL translation lesson
- 5.0 (Mdn) 4.3 (M) out of 5.0 course evaluation see public results

    Teaching Assistant   *Spring 2023*

- Assisted Dr. Skinner with 1:1 troubleshooting for lessons and assignments during class and office hours
- Designed and taught a new lesson on mapping and working with spatial data in R based off a real-world past GA task

Research Experience

- Spatially merged meteorological and government emergency response data with IPEDS to explore the impact of extreme weather on colleges
- Spatially lined up TX community college service areas with high school districts to explore equity of institutional access
- Gathered data and created tables and visualizations for a report targeted at state policy makers
- Created a new dataset of state-run merit-based aid programs in the US which led to a new typology being proposed
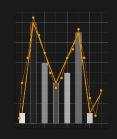

Residence Hall Coordinator   *July 2020 – May 2021*

University of Missouri, MO

Graduate Community Coordinator   *July 2019 – May 2020*

University of Florida, FL

Summer Sessions Graduate Intern   *May 2019 – July 2019*
Georgetown University, DC

Graduate Assistant   *August 2018 – May 2019*
University of Florida

Advising Intern   *January 2018 – June 2018*
US-UK Fulbright Commission

Student Ambassador   *January 2015 – June 2018*
University of Birmingham

⚲ Technical Skills

Regression-Based Analysis
– Ordinary Least Squares
– Logistic
– Cox Proportional Hazard
– Geographically Weighted
– Fixed Effects

Quasi-Experimental Designs
– Propensity Scores
– Instrumental Variables
– Difference in Differences
– Regression Discontinuity

Spatial Statistics
– Spatial Projections & Mapping
– Distance Calculation
– Clusters & Hot-Spots
– Spatial Outlier
– Interpolation

Psychometrics & Latent Variables
– Classical Test Theory
– Factor Analysis
– Item Response Theory
– Basic Computational Psychometrics
– Structural Equation Modeling

Natural Language Processing
– Structural Topic Modeling

Bayesian Statistics
– Bayesian Regression (MCMC)

R	Shiny	Python	Git	Zotero	Quarto & Rmd
Stata	SPSS	Qualtrics	GIS	Typst	Microsoft Office

🖋 Published Work

Peer-Reviewed Articles

Capaldi, M. J., & Shin, J. (under review). A time and place for (sustainable) campus planning: using structural topic models to explore variations in planning priorities at large us public colleges. *Research in Higher Education*.

Hu, X., Fernandez, F., Qiu, Y., & *Capaldi, M.* (2024). The good, the bad, and the balanced: a typology of state merit-aid programs for community college students. *Community College Review*, *52*(3), 289–314. https://doi.org/10.1177/00915521241238753

Capaldi, M. J. (2023). The route to graduation: an exploration of the association between transit stop proximity and pell recipient completion rates at us commuter colleges. *Journal of College Student Retention: Research, Theory & Practice*. https://doi.org/10.1177/15210251231156421
