 Education

Ph.D.	Higher Education Administration Minor in Urban and Regional Planning Dissertation: <i>A collection of essays exploring the link between transportation and college student outcomes</i> University of Florida, FL	Summer 2025 (Expected)
M.Ed.	Research and Evaluation Methodology University of Florida, FL	Fall 2024 (Expected)
M.Ed.	Student Personnel in Higher Education University of Florida, FL	Spring 2020
B.A.	International Relations with Political Science Year Abroad: Providence College, RI University of Birmingham, UK	Summer 2018

 Experience

Graduate Assistant & Fellow University of Florida, FL	August 2021 – Present
Teaching Experience EDH 7916: Contemporary Research in Higher Education – “The R Class”	
Co-Instructor	Spring 2025
Co-Instructor	Spring 2024
– Took over instruction and grading for the technical R portions of the course following Dr. Skinner’s departure – Refreshed the course website including simplifying some of the core content (e.g. loops), updating the .Rmd lesson to Quarto, and adding a Tidyverse to SQL translation lesson – 5.0 (Mdn) 4.3 (M) out of 5.0 course evaluation see public results	
Teaching Assistant	Spring 2023
– Assisted Dr. Skinner with 1:1 troubleshooting for lessons and assignments during class and office hours – Designed and taught a new lesson on mapping and working with spatial data in R based off a real-world past GA task	
Research Experience	
– Spatially merged meteorological and government emergency response data with IPEDS to explore the impact of extreme weather on colleges – Spatially lined up TX community college service areas with high school districts to explore equity of institutional access – Gathered data and created tables and visualizations for a report targeted at state policy makers – Created a new dataset of state-run merit-based aid programs in the US which led to a new typology being proposed	
Residence Hall Coordinator University of Missouri, MO	July 2020 – May 2021

Graduate Community Coordinator University of Florida, FL	July 2019 – May 2020
Summer Sessions Graduate Intern Georgetown University, DC	May 2019 – July 2019
Graduate Assistant University of Florida	August 2018 – May 2019
Advising Intern US-UK Fulbright Commission	January 2018 – June 2018
Student Ambassador University of Birmingham	January 2015 – June 2018

💡 Technical Skills

Regression-Based Analysis – Ordinary Least Squares – Logistic – Cox Proportional Hazard – Geographically Weighted – Fixed Effects	Quasi-Experimental Designs – Propensity Scores – Instrumental Variables – Difference in Differences – Regression Discontinuity
Spatial Statistics – Spatial Projections & Mapping – Distance Calculation – Clusters & Hot-Spots – Spatial Outlier – Interpolation	Psychometrics & Latent Variables – Classical Test Theory – Factor Analysis – Item Response Theory – Basic Computational Psychometrics – Structural Equation Modeling
Natural Language Processing – Structural Topic Modeling	Bayesian Statistics – Bayesian Regression (MCMC)

R	Shiny	Python	Git	Zotero	Quarto & Rmd
Stata	SPSS	Qualtrics	GIS	Typst	Microsoft Office

🖋 Published Work

Peer-Reviewed Articles

Hu, X., Fernandez, F., Qiu, Y., & **Capaldi, M.** (2024). The good, the bad, and the balanced: a typology of state merit-aid programs for community college students. *Community College Review*, 52(3), 289–314. <https://doi.org/10.1177/00915521241238753>

Capaldi, M. J. (2023). The route to graduation: an exploration of the association between transit stop proximity and pell recipient completion rates at us commuter colleges. *Journal of College Student Retention: Research, Theory & Practice*. <https://doi.org/10.1177/15210251231156421>
